Principal's Report

After many months of practicing and rehearsals, our talented students showcased their skills in the Star Struck performance last weekend, captivating audiences with their creativity and passion. A heartfelt thank you to Miss M and Mr G for their dedication and effort in making this event so enjoyable for our eight students performing.

While some students showcased their creativity, others excelled in our school Premier Spelling Bee. Congratulations to Jed & Freya for their effort in our recent Spelling Bee competition, both students will now compete at the Regional Spelling Bee next term.

On the sports front, it's been an action-packed couple of weeks with the PSSA Soccer Knockout and Rainbow Rugby League Day, with more excitement on the horizon as our Classic Shield competition approaches next week. We would also like to congratulate Callan on achieving 39th place in the Hunter Cross Country today.

As we approach the end of the term, be sure to check the calendar for upcoming activities, including the SRC Disco in the last week of term, Beanies for Brain Cancer fundraising event, and the SRC Book Fair selling quality books for a gold coin donation.

Raquel Harris, Principal

PBL NEWS

**PRINCIPAL
KINDNESS
AWARD - AALIYAH**

**SLSO RESPECT
AWARD - SOPHIE**

GARY SILVER AWARD FOR WEEK 7

GARY GREEN AWARDS FOR WEEK 7

STEM WITH THIESS

At MPPS, we were fortunate enough to have a STEM incursion sponsored by Thies. It was a great experience with informative presenters that discussed the interesting STEM based jobs in mining before helping us to complete some of the tricky games and challenges. The children really loved pushing themselves and enjoyed trying their hand at a variety of different types of science and engineering.
